National Association of Educational Broadcasters
Office of Executive Secretary
November 28, 1939

No doubt all members of NAEB have received recent communication from RCA advising that effective December 1 all stations using RCA-Victor records must be licensed by RCA.

Mr. Early of RCA-Victor assured Mr. Novik a few weeks ago that discussions looking toward a further concession for the educational stations could be held after December 1 and if necessary an extension of time for license would be granted by RCA. This information was given your secretary by Mr. Novik after a talk with Mr. Early.

The letter from RCA-Victor, which apparently went to all radio stations, would seem to complicate matters, therefore this morning I asked Mr. Novik by wire to get in touch with Mr. Early and if possible get a statement from him on the situation.

When I have further information I shall forward it to you immediately.

Cordially yours,

Frank E. Schooley
